Creation Date: Mar-2019

Firewood cutting in **BY006 and BY018** permitted **Saturday and Sundays only** until further notice.

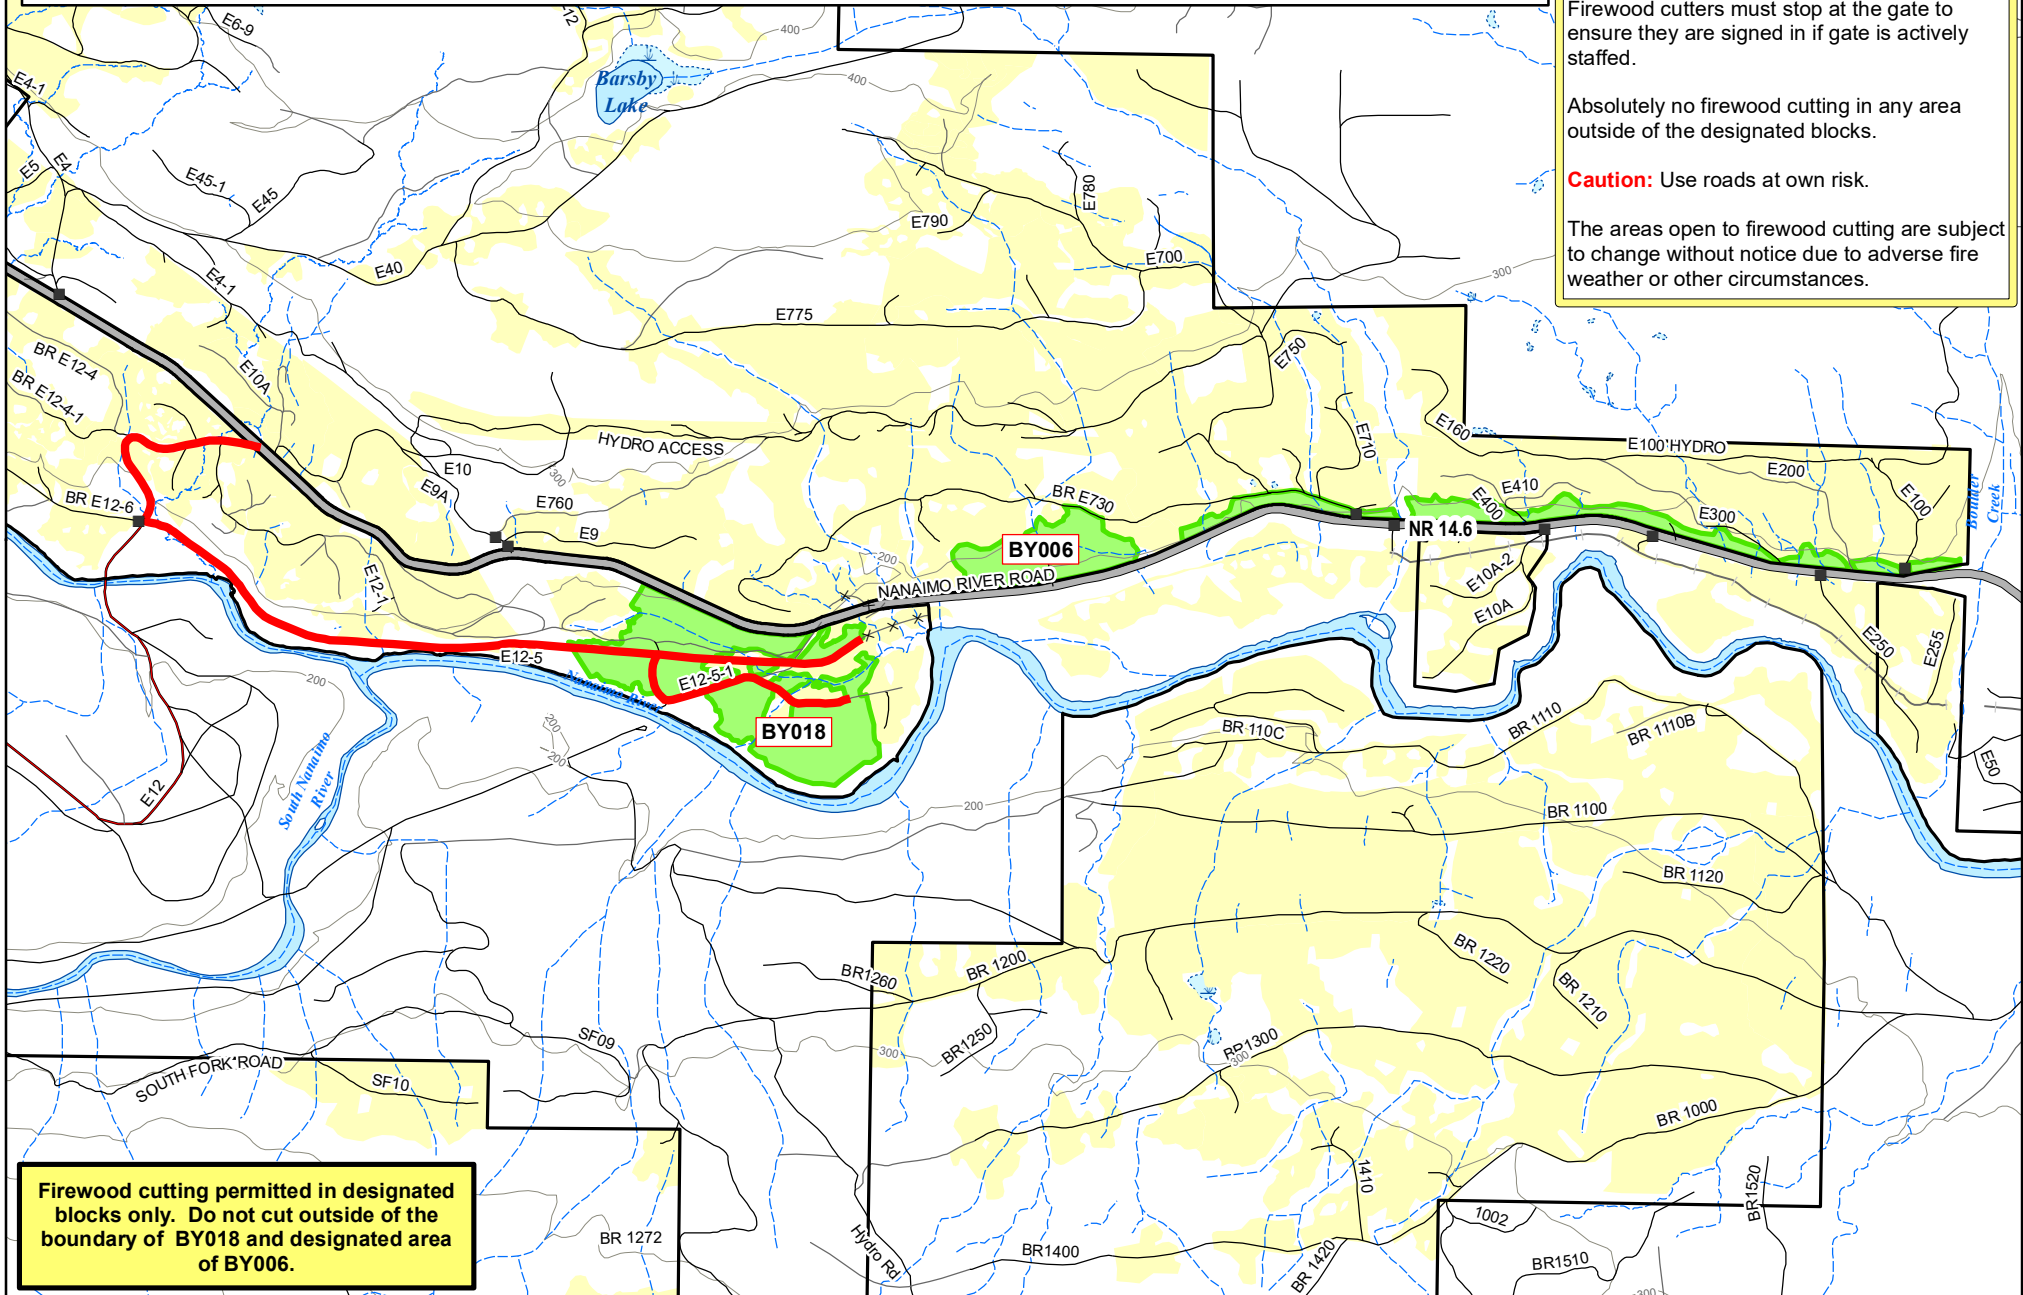

Gate opens at 8:00 am and may be locked at any time after 4:00 pm (subject to change).

Firewood cutters must stop at the gate to ensure they are signed in if gate is actively staffed.

Absolutely no firewood cutting in any area outside of the designated blocks.

Caution: Use roads at own risk.

The areas open to firewood cutting are subject to change without notice due to adverse fire weather or other circumstances.

Firewood cutting permitted in designated blocks only. Do not cut outside of the boundary of BY018 and designated area of BY006.
